New rear wheel axle for Spox std

Now we replace the rear wheel axle for Spox std with the same axle we use with the new hubs on our standard rear wheel. This means that you don't need the 7 mm spacer previously used together with the old axle.

Old axel:
art.no. 1100025 Axle QR 1/2" / 12,7mm x 99 mm

New axel:
art.no. 1100022 Axle QR 1/2" / 12,7mm x 91 mm SJ
