Side guard Carbon

Side guard Carbon

Side guard Carbon

Now we introduce side guard Carbon

This new side guard is made in the same material and with the same technique and have the same price as our other carbon side guards. Side guard Carbon fits all our wheelchairs in the S3 series, including U3 Light and X.

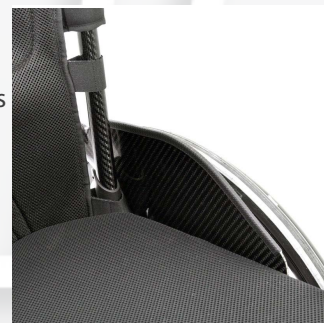

Side guard Carbon is a sophisticated side guard with no fender but with a rubber strip cover on the top.

Expired product

Side guard U2 Light expires

Side guard U2 Light has expired. Those of you who have orders on U2 Light side guards will receive the new Carbon side guard instead, for the same price as the U2 Light side guard.

For new orders please be aware that U2 Light side guards and carbon side guards have different prices.
